

Fascinating Facts...

Picture: Malcolm Richards Photography

Catch Me If You Can...?

After the reception the bride throws her bouquet back over her shoulder, it's thought lucky for a single woman to catch it signifying that she may be the next to wed. Look out Lads!

Sweet Success...

Cutting the wedding cake is now part of the ritual celebrations at the reception but it was the Romans who thought it good luck to share a sweet cake to bring *sweetness* to their marriage.

Best Man For The Job...

It is the best man's duty to protect the groom from bad luck & deliver him to the church safely & *On Time!* Choose someone who will have your best interests at heart & will

look after you & your new wife on the day.

A Threshold Too Far...

Crossing the threshold has been a tradition for centuries. The

groom used to carry the bride over the threshold to prevent the family demons that followed the woman from going into the home. She was carried across the threshold for the first time they entered the home. After that, the demons could not enter & she could come & go as she pleased.

She's Got The Look...

It's thought lucky for the bride to have one last look in the mirror before she leaves the house to go to the wedding, will bring her good

luck for their future life together.

Give Me A Ring Later...

The circular shape of a wedding ring is renowned for undying & unending love since the days of the early Egyptians.

The Romans used durable iron to state the permanence of marriage. Among today's favorites are gold, silver, platinum and titanium, which combine beauty and purity. It's also possible to have the date of the wedding engraved on the inside, a good idea that'll never allow your husband to forget the date of your anniversary!
